We Will Show at Our Stands, 34 to 51 Center Market, and 9 Wholesale Row, the Finest Display Ever Shown to the Washington Public.

These Cattle are from the famous Hereford and Polled Angus stock, and have been corn fed on the finest farms in Virginia and Maryland. These Cattle inhale the pure air of the Blue Ridge Valley and drink the finest water in the country, and are fed upon the rich and fertile blue grass. Why should not the beef be the finest produced? This exhibit shows conclusively that you can get as fine Beef here as can be had anywhere in the United States. Inspection cordially invited without obligation to purchase.

ESTABLISHED 1865. We have earned a reputation of handling the finest meats in Washington, and have the confidence and esteem of the people of Washington. We stake our reputation on our Steaks.
